Section E: California SB20 Source Documentation for Covered Electronic Waste (CEW)			
<p>To facilitate proper recycling of televisions and computer monitors, the State of California provides electronics recyclers with a rebate for televisions and monitors collected from a California source. If your material above is eligible, you may receive a call from the State or our downstream partner to confirm that you recycled those TVs/monitors with us. Your participation and understanding are greatly appreciated.</p>
