Instructions

1. Print your shipping label and attach it to a box of your choosing. Please select a box that will accommodate your devices and packaging material with minimal excess space.
2. If your package contains any devices with lithium batteries inside them, please also affix the lithium battery label to the box in a prominent place.
3. Please include any charging cables or cords that go with your devices.
4. We wipe all data from every device we receive, but we also encourage users to wipe their own devices prior to shipment.
